2008-09 Three-Year Strategic Plan Outcomes and Results

Outcome 1e – Students enrolled in developmental courses at Level 3 and above will transition to degree credit courses in three semesters or less.

Outcome 1f – Student success will increase by 10% over a four-year period as evidenced by the total of student graduation, transfer and retention rates.

2008-09 Three-Year Strategic Plan Outcomes and Results

Goal 2 – Opportunities and options for learning reflect the needs of students and clients.

Outcome 2a – Enrollments will grow across the College as follows: Increase FTEs by 3% annually from FY08 baseline, Increase headcount to level required to serve 1 in 11 district residents and increase number of recent high school grads coming directly to MATC to 23%.

Data Notes:

- 1 in 11 figures are based on projected MATC district population over the age of 17.
- *2005, 2006, 2007, 2008 enrollment information is actual; 2009 information is very close to actual year-end; all other years are projected.
- Direct enrollment growth of 5.38% per year would be needed to get to 23% by 2012; actual 2009 information is not yet available.

2008-09 Three-Year Strategic Plan Outcomes and Results

Outcome 2b – Courses and/or programs utilizing flexible learning strategies will increase by 50% over three years.

Types of Learning Sections Offered

Outcome 2c – Accessible career pathways will be created by building curriculum modules in programs that lead to identifiable technical and/or academic skills, by entering into transcribed credit agreements with District high schools and by creating contextual basic skills instruction that enables transition to career programs.

School Districts with MATC-related Offerings

2008-09 Three-Year Strategic Plan Outcomes and Results

Goal 3 – All who interact with MATC have positive experiences.

Outcome 3a – Overall student satisfaction with MATC will be above the national and statewide norms as measured by the Noel-Levitz survey and other methods.

Outcome 3b – Student satisfaction on admission and registration processes will be above the national and statewide norms as measured by the Noel-Levitz survey and other methods.

Outcome 3c – Employees of MATC perceive a positive work environment as compared to the national and statewide norms on the PACE survey or other methods.

Outcome 3d – The average community perception rating of MATC will increase to a “4.0 rating” based on responses from the DaneTrak perception questions and other methods.

2008-09 Three-Year Strategic Plan Outcomes and Results

Outcome 3e – MATC will provide a safe, secure, and healthy environment for all campus communities.

Overall Student Satisfaction

Outcome 3f – MATC employee diversity will reflect the population in the community in order to promote a welcoming environment.
