Incomplete Request Form

INSTRUCTIONS - The decision to award an incomplete in a degree-credit class is at the sole discretion of the instructor. A student may request an incomplete based upon the criteria below and, if the instructor is in agreement and the following requirements are met, the procedures on this form may be followed to complete the request.

1. The class is a degree-credit class and does not have remaining clinical or lab components, and
2. The student is passing the class, and
3. The student has a compelling and justifiable reason for not completing work due in the last one-fourth of the course on schedule, and
4. The student and instructor are in agreement regarding work to be completed and have both signed this request form specifying remaining work and due date(s) for completion. Due dates may not extend beyond the end of the subsequent semester.

Once an Incomplete has been granted, the class may not be retroactively withdrawn from (grade of W) in a future semester; classes must be withdrawn prior to the 90% point within the original term.
