

# Parking & Directions

Madison College's Truax Campus is located at 1701 Wright Street, near the junction of Hwy. 151 (E. Washington Ave.) and Hwy. 51 (Stoughton Rd). The Health Education Building is next to Visitor Parking.

Looking Forward is being held in the Health Education Building (outlined in red above).

From I-90/94, you have your choice of three exits:

Take **Exit 132** (Hwy 51/Stoughton Rd) south. Turn right on Anderson St. Continue to the second stop light, turn right on Hoffman St.

At **Exit 135A** (Hwy 151/E. Washington Ave), follow the sign marked 151 South/Madison; turn right on Hwy 51 (Stoughton Rd) and left on Anderson St, continue to the second stop light, turn right on Hoffman Street.

At **Exit 138** (Hwy 30), take Hwy 30. Follow the sign marked 30 West/Madison; turn right on Hwy 51 (Stoughton Rd) and left on Anderson St, continue to the second stop light, turn right on Hoffman Street.

From **Hwy 12/18**: Exit at Hwy 51 and go north. One block after crossing Hwy 151 (E. Washington Ave), turn left on Anderson Street, continue to the second stop light, turn right on Hoffman Street.

➔ Please park in the visitor area (adjacent to the Health Education building).

## Looking Forward

## Options After High School

An evening with representatives from organizations offering a variety of post-high school opportunities and support for individuals with disabilities.

### Tuesday, November 12, 2019

**5:45 - 7:30p.m.**

**Madison College - Truax Campus**

**Health Education Building**

Madison Area Technical College | Truax Campus

1701 Wright Street | Madison, WI 53704

**Registration and Resource Fair: *Health Education Building Atrium 5:00-5:45p.m.***

Don't miss this great opportunity to meet service providers, ask questions and get answers!

**Welcome & Student Panel Keynote: *Health Education Building, Rm 309/11 6:00-6:30 p.m.***

Current college students and high school graduates in the workforce will share their experiences and advice for the transition from high school to college and the world of work.

## Session Descriptions

**Establishing Financial Trusts , Financial Planning & Guardianship:**

Learn about various tools to help you to continue to help your child after they turn 18. The tools discussed will run the gamut from a joint-titled bank account through full guardianship.

**Transition Planning for College/Career Ready IEP:**

Scott Ritter, Director of DRS at Madison College will provide a brief overview of the nuts and bolts for the critical transition from high school to college.

**Financial Aid 101:**

An overview of Financial Aid and how to apply for it.

**Dane County Long Term Support Services:**

Kurt Svensson will discuss how the Aging & Disability Resource Center (ADRC) of Dane County is able to work with young adults and their families to understand the various options and resources as they transition from school to adulthood. The ADRC is also the gateway to publically funded Long-Term Care Programs in Dane County for people with developmental disabilities and physical disabilities

**Assistive Technology:**

Come and check out what new apps are available for youth to utilize both for school and in the home. Nicole Sanders, Assistive Technology and Independent Living Specialist at Access to Independence, will be presenting apps to assist with life skills to generate and maximize independence for youth. There will be demonstrations on different types of tablets and devices. Bring your own tablet and find some new apps to download!

**Division of Vocational Rehabilitation (DVR):**

Stephanie Thompson will explain how to apply for services and how DVR works with people with disabilities to obtain gainful employment.

**Campus Connect Program::**

Post-secondary education can be an option for students who are in 18-21 transitional programming. The presentation will provide an overview of the Campus Connect program, how college is different than high school and other support programs available to students .

**Self-Advocacy 101:**

Being a good self-advocate can help you both academically and socially—come to this session and learn how!

**DVR and Southern Regional Center:**

Experience matters. Learn how DVR is working with schools to prepare students for employment. BUT there is more to life than a job—learn how the Southern Regional Center is here to provide information and support to families.

Discover your greatness! Madison College offers an education that's real-life ready and real-world smart. Madison College
