

MADISON COLLEGE FINANCIAL AID

Parent Clarification of Income Sources

Your Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The income reported for 2017 on the Free Application for Federal Student Aid (FAFSA) was extremely low and is below the minimum level necessary to support yourself and/or a family. For additional information regarding verification, visit madisoncollege.edu/financial-aid-verification. Please be aware that you will not receive financial aid until all documentation is received and reviewed. Therefore, failure to submit this form and any necessary documentation in a timely manner and/or provide accurate information may significantly delay the processing, awarding and potential disbursement of financial aid funds.
