Where to Find myMadisonCollege Online

Need help finding myMadisonCollege? Here's what you need to do:

1. Open your web browser and navigate to the Madison College home page. On school desktops, this is the default home page. Otherwise, enter the address <https://madisoncollege.edu/>.
2. Click on **Current Students** at the top of the page (On mobile, you will first need to click on the ☰ button on the top-right corner).

3. There are five colored buttons here for quick access to important student links. Click on the button labelled **myMadisonCollege**.

USING MYMADISONCOLLEGE

Manage your student account (student center) on myMadisonCollege.

LOG IN

Add or drop classes, access your class schedule, check your grades and more through myMadisonCollege on laptops, desktops and mobile devices.

4. Click on the **Log In** button.

5. Enter your Madison College username and password, then click **Log In**.

If you forgot your username or password, click on either **Find Username** or **Reset Password** below.
